

Trust & Preparedness Plan

Purpose: To earn the TRUST of our Guests/Companies we do business with through our PREPAREDNESS efforts.

Masks must be worn by all associates while on property.

Hand sanitizer placed in areas key areas of the hotel.

Consistent sanitization of high touch and high contact areas several times per day using EPA approved sanitizers.

Social Distancing activated throughout the hotels public areas.

Housekeeping services performed on third day of stay to minimize guest room entry, unless guest specifically requests "no service".

Our hotel has a designated "TrustAmbassador" responsible for ensuring consistent execution of our Trust & Preparedness Plan in our hotel.
